

Year 3 Term 4 Homework Grid

Please consider choosing 2-3 tasks a week to complete.

Maths and Reading are suggested to be a priority.

You can do the same task every week. For example, reading and TTRS.

Maths Target time 15mins	Reading/Writing Target time 15mins	Topic/Creative Target time 20mins
<p>**Practise your times tables.</p> <p>Mixed multiplication and division of 3,4,8 if on TTRS</p>	<p>**Read a book that interests you.</p> <p>Don't forget to record it in your home reading record.</p>	<p>Go onto Google Earth and explore the African continent.</p>
<p>**MYMaths – a series of new tasks are set for the term.</p> <p>The tasks are available from 04/03/24 as these skills taught later in the term.</p>	<p>Draw a comic about plants. Can you incorporate any learning from our Science lessons?</p>	<p>Can you identify any similarities and differences between Africa and the UK?</p>
<p>**White Rose Maths Sheets will be posted on SeeSaw for the first 3 weeks.</p>	<p>Practise your spellings. See additional page for weekly focus.</p>	<p>Create a fact file about the continent of Africa.</p>
<p>Measure the perimeter of objects found around your home.</p>	<p>Listen to an audio book.</p>	<p>Choose an area in Africa and identify the physical features.</p>
<p>Riddles:</p> <p>I am an odd number. If you subtract 10 from me, you get 15. What number am I?</p> <p>I am thinking of a number. If you double it and then add 10, the result is 50. What number am I thinking of?</p> <p>I am thinking of a number. If you add 5 to it and then multiply the result by 3, you get 24. What number am I thinking of?</p>	<p>Window Story</p> <p>Look out a window and get some inspiration from what you can see or imagine. Write down your ideas.</p> <p>Eg. The small, bright bird swooped down onto the roof and pecked at the moss.</p> <p>E.g. Suddenly, the mysterious woman emerged through the door onto the busy street. She was carrying a small, bright package in her hand.</p>	<p>Choose a region of where you would like to live in Africa and...</p> <ul style="list-style-type: none"> • Draw a picture of it • Find out what plants live in that habitat • Choose two to compare similarities and differences <p>(Inland, coastal, desert, savannah, rainforest, highlands, lakes)</p>
