Monday 9<sup>th</sup> December 2019

Dear Parents and Carers,

As you may already be aware, Western Road Community Primary School is proud to be a **real legacy** school (and also one of the first of these in East Sussex.)

**Real legacy** allows us to bring the school, home and the community together to enable cultural change. Our journey commenced with **real PE** teacher training to support our PE provision to develop the whole child and extends across the school to include supporting families and the wider school community.

The school is supported with teacher training, school based support, fun **real play** activities for families, enrichment and competitive opportunities and supporting resources from **Create Development** all through a holistic approach to develop children's physical, personal, social and emotional skills.

Not only are we on a mission to get our children more active by developing the fundamental physical skills that are so often overlooked, our PE lessons are centred around the child to enable them to be successful in the classroom and in later life.

We look forward to keeping you up to date with our journey to create a new ambition for EVERY child.

Please talk to Miss Doone if you have any questions about our P.E. lessons or the impact of real legacy.

Kind regards  
Miss Doone  
Year 3 class teacher/P.E. subject leader
