

### Year 3 Term 5 Homework Grid

Please consider choosing 2-3 tasks a week to complete.  
Maths and Reading/Writing are suggested to be a priority.

Maths	Reading/Writing	Topic/Other
Practise your times tables. 2,3,4,5,8,10  TTRS or ???	Read for at least 15mins. If you stumble on 5 or more words on a page, please choose another book.	Draw a historical style of house or design your dream house. Label the features it would include.
MYMaths – a series of tasks are set for the term.	Listen to an audio book.	Online Touch Typing: BBC Dance Mat Typing 7-11yr olds
ICT Maths Games to focus on times tables or number bonds recall.	Practise your spellings. See additional page for weekly focus.	Become a tour guide. With an adult, walk around Lewes, or another place in England and spot out historical buildings and talk about their features.
Get a head start on telling time on an analogue clock. Knowing the 5 times table will help!	Write a book review about your favourite book. Bring it in to school so we can recommended it to other WR students.	Grow some plants from seed or seedling and make observations by recording its growth using scientific vocabulary.
Get baking or cooking! This is great real life experience for becoming familiar with units of measurement and fractions.	Write a story. The story could be recorded as audio or typed as well. Don't forget to provide illustrations.	It is spring! Paint some flowers. Google 'Jessica Wood Artist' for inspiration.
