Halloween can be fun, however some people find it a scary and unpleasant day. They don't like the costumes people dress up in and some old people are afraid to open their door in case they get a nasty scare or someone plays a trick on them.

This Halloween, TRINITY Lewes is putting on **the BIG NIGHT IN**, where our Southover Church Venue will be packed full of fun and games. Parents are welcome to stay and engage in the activities with their children or they can leave junior aged children (and above) in the care of our staff. Under 7's must be accompanied by an adult at all times. A consent form must be completed by a parent or guardian in advance or before children can enter the event.

No Halloween Costumes please
