PE and Sports Funding Spending at Western Road Community Primary School – 2019 - 2020

Area of Spending	Amount	Description of Intervention	Evaluation of Intervention
Participate in a wide range of sporting activities within the local community.	£4500	We will buy into the services of Priory School's sports coordinator, Sara Riley, who organises local tournaments, matches, performances etc. We will arrange cover as necessary to ensure the PE specialist teachers are available to help organise the logistics of tournaments, offer further practise prior to tournaments, attend the tournaments and encourage sporting behaviours. We will also make contact with fellow members of the Trust to consider additional provision for pupils (cover may be needed to facilitate meetings and supervision for activities/tournaments).	Children took part in a wide range of inter-school tournaments and matches including netball, football, table tennis and athletics. Children in Year 3 participated in a dance show at Roedean School. Participation in after school PE activities has risen. A sporting club is available each day after school and the registers for these clubs shows that attendance has increased from last year although this has been impacted by COVID-19.
Support consistently high-quality PE teaching in line with the National Curriculum.	£3500	We will buy into the ongoing training support with Real PE to ensure all teachers and TAs are trained in using the PE programme. The sessions will be planned across the academic year to ensure all pupils have access to high quality, well-planned and resourced PE lessons in-line with the National Curriculum programmes of study. The monitoring programme will include PE observations as part of the performance management cycle. The PE subject leader will receive release time to team-teach and plan local sporting events and associated training.	100% of all PE lessons observed have been judged as 'Good' by members of the Senior Leadership Team and the PE coordinator. The PE co-ordinator worked with colleagues to support planning and delivery of PE lessons. The PE co-ordinator worked with Senior Leaders to plan and carry out sporting events. Each class is using the Real PE programme to deliver high quality PE lessons. The Daily Mile has been introduced in all year groups. Pupil Voice shows pupils are enthusiastic for this to continue.
Continue to offer high-quality swimming teaching in line with the National Curriculum.	£3000	We will buy into swimming lessons at Wave Leisure in Lewes to enable all children in Key Stage Two to have swimming lessons taught by dedicated swimming teachers. The lessons will be planned by Wave Leisure staff and given to Key Stage Two teachers for CPD. Key Stage Two teachers will watch lessons for CPD and encourage swimming behaviours.	Years 5 and 6 participated in swimming lessons January – March and then stopped due to COVID-19. At that point, 90% of all Year 6 children could swim at least 25m.
Support the playing of sporting games at breaktimes and lunchtimes	£4800	We will maintain current playground equipment (fixed-standing climbing frames etc) to ensure they can be continuously used across the school throughout the academic year. We will purchase additional equipment and use it on rotation (with Sports Leaders/Buddies and TA supervision) at breaktimes and lunchtimes to promote sporting behaviours across the school. A new break and lunch duty rota will include suggested sporting activities to be set out each day, led by the Sports Leaders/Buddies and supervised by the TAs on duty to encourage sporting behaviours.	Children take part in a range of activities at lunchtime, supervised and led by MDSAs and Year Six Buddies and organised on a rota basis. The School Council have been involved in the equipment choice for the rota. Pupil Voice shows that children enjoy taking part in these activities.
Celebrate achievements in school.	£800	We will evaluate current practice and use the School Health Evaluation for additional data. The PE subject leader will be released to for the evaluation and action planning process in order to achieve Silver Games Mark. Evaluate progress against expectations for Gold Games Award.	PE display celebrated current practice and was updated regularly to celebrate provision and enrichment activities. Silver Games Mark application postponed due to COVID.

		Revive PE display(s) around school that celebrate current practice and provision and are part of the school's vision.	
	£16,600
